A screenshot of a web application's management login page. The page has a light blue background. At the top, there is a navigation bar with 'Home' and 'Checkout' links on the left and a 'Login' link on the right. In the center, there is a white rounded rectangle containing the login form. The form has two input fields: 'UserName' with the value 'Wyatt' and 'Password' with four asterisks. Below these fields is a 'Login' button. In the bottom right corner, there is a small icon representing a Windows taskbar.

Adding a flavor:

A screenshot of a web application's product management page. The page has a light gray background. At the top, there is a navigation bar with 'Home', 'Checkout', and 'Logout' links. Below the navigation bar, there is a section titled 'Product Management'. Inside this section, there is a table titled 'Product List' with three columns: 'id', 'name', and 'url'. The table contains 10 rows of data. Below the table, there is a form titled 'Add Product'. The form has two input fields: 'Name:' with the value 'Vanilla' and 'Image URL:' with the value 'main\_images/vanilla.jpg'. Below these fields is a green 'Add' button. In the bottom right corner, there is a small icon representing a Windows taskbar.
